In the reference 3<sup>rd</sup> read above Government have issued orders dispensing with release of LOC in respect of Capital Heads of Account in I & CAD and R&B Departments on a pilot basis for a period of three months from 01-04-2013.

2. The following are the outcomes of the experience:

- Drastic reduction in the time taken for payment of bills which will result in pace of implementation of capital works getting expedited.
- Elimination of some files and unnecessary movement of other files has taken place.
- Parking of funds/LOC at the level of HoD or DDO has been eliminated.
- Reduction in unproductive work load in these Departments as well as in Finance Department.
- Wastage of time on collection of information pertaining to pending bills at various levels in the Departments is obviated.
- The Departments can now monitor with the help of the online report the budget available and expenditure at any point in time.
- I & CAD Departments will have the additional benefit of being able to monitor project wise administrative sanction and expenditure so that they can take timely action for obtaining revised administrative sanction if and when required.
